A HUMAN MACHINE INTERACTION THAT I HAVE MORE INFLUENCE OVER

A MACHINE THAT I (A HUMAN) HAVE MORE INFLUNCE OVER

EXAMPLE #1

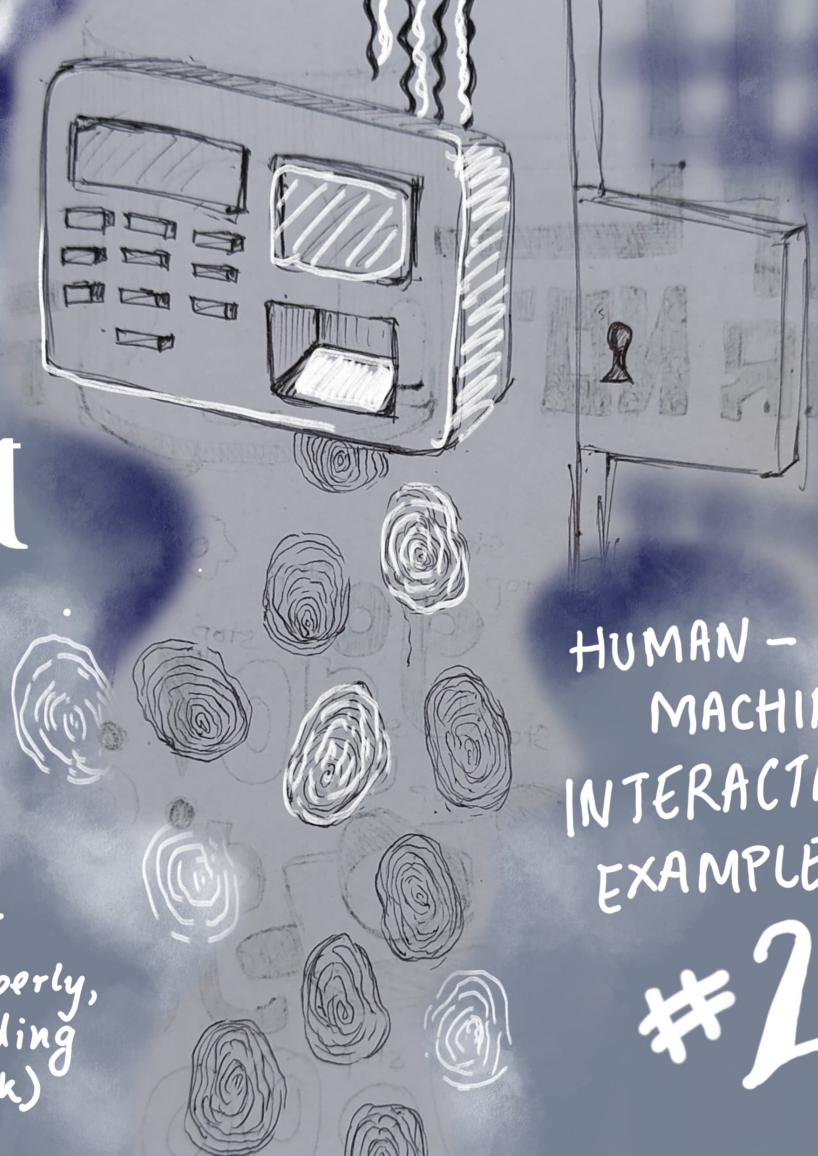
steamer

- I have contol over when to give the steamer power and when to switch it off
- I can contol how hot it gets

A MACHINE THAT HAS MORE INFLUENCE OVER (MY) HUMAN LIFE THAN I DO OVER IT.

fingerprint scanner

- conditional: sometimes when it doesn't work + the security gourd isn't there, I won't have access to the building; my room.
- when the door doesn't close properly, ANYBODY has access to the building (potential risk)



HUMAN - MACHINE INTERACTION EXAMPLE #2
